

Risk

A journey worth taking

CHALLENGE for WEEK 1 –

- Pray specifically that God would reveal in what ways or areas you need to 'risk' more for Him.
- Record the area you are praying for on Thursday morning, and ask God for opportunities to grow in this area.
- Record how God answered your prayer (even if you feel like you missed or mishandled the opportunities!).
- Pray for a fellow class member (it could be your spouse) to grow in their risk taking for God this week.
