A journey worth taking

CHALLENGE for WEEK 2

- (1) Do we see as God sees? What is the character quality that is needed to rightly see in light of God's word?

- (2) What is an area where you struggle to see as God sees? Write this down and make it your prayer request this week.

- (3) What one help for faith will you engage with this week to grow in your faith:
Scripture, prayer, the Holy Spirit, humility, Jesus?
